

## Sub-part 7501 – Maintenance

### Chapter 22001 Procedures for House Moves on State Highways

#### Purpose

- 100 To provide the procedures for moving houses on the State Maintained Highway System.
- 101 To permit those house moves that can be accomplished within the regulations and operational procedures for house moves as established by the Department. No house move will be permitted, which in the opinion of the Department, will conceivably cause damage to public property, adversely affect the safety or cause undue delays to the traveling public.

| 1. SECTION 200 | REGULATIONS                        |
| 2. SECTION 300 | OPERATIONAL PROCEDURES             |
| 3. SECTION 400 | HOUSE MOVERS STANDARD WEIGHT CHART |
| 4. SECTION 500 | HOUSE MOVING FORMS                 |

#### REGULATION

- 200 The maximum width, heights, or distance moved shall be approved by the District Engineer or his representative taking into consideration the roadway geometrics, overhead obstructions, traffic volumes, etc., on the specific routes involved.
- 201 A multi-unit manufactured or modular home that has been installed and used as a residence may be transported as a single unit as covered in this rule.
- 202 The Department will require reasonable time to inspect intended haul routes. ~~in instances where houses to be moved exceed 32 feet in width (outside wall measurements), the review and inspection period may require as much as three working days. The Department cannot guarantee a same-day return on permits.~~
- 203 The house mover shall furnish the Department with a thorough description ~~(to include pictures of the front, two sides, and the back)~~ of the load to be moved on the Department's HOUSE MOVE INFORMATION FORM (MND-210). The form can be found at: [www.gomdot.com/business/permits/maintenance-permits/house-moving/information-application](http://www.gomdot.com/business/permits/maintenance-permits/house-moving/information-application).
- 204 The description of the load shall include an estimated weight based upon the Department's HOUSE MOVERS STANDARD WEIGHT CHART. Refer to Section 400 of this Rule.
- 205 The house mover is responsible for any additional permits, notifications or clearances that are required from any City, or Municipality, or Utility Company, or any other jurisdictional agency or regulation.
- 206 The house mover shall provide a copy of all such additional permits, notifications and clearances along with his submission of the Department's HOUSE MOVE INFORMATION FORM (MND-210).

- 207 Movements shall be made between one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset Monday through Saturday. Movements must be timed to avoid urban areas during peak traffic periods.
- 208 Movements will not be allowed on Sundays, New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas, or after 12:00 noon on days proceeding the listed holidays.
- 209 Movements may be prohibited on other days when specific events may generate unusually heavy traffic in the vicinity of the move.
- 210 House moves shall not be made during times of rain, snow, and sleet or during other hazardous weather conditions.
- 211 House movers shall make provisions to allow passing of all emergency vehicles during the move. All necessary provisions will be made to assure that traffic will not be held up more than fifteen (15) minutes where conditions permit. Under NO conditions will traffic be held up more than thirty (30) minutes. When available, house movers shall secure the use of law enforcement officers to facilitate the safe movement of a load.
- 212 House moves will be allowed only on routes specified on the permit. House moves will not be allowed on Interstate Highways. Houses cannot be moved using farm tractors, or other non-commercial or non-licensed motor vehicles.
- 213 No Traffic control signals shall be removed or altered. Just prior to the house passing their location a bucket truck shall be required to manually raise any signal support cables and hardware. The bottom tether cable may be disconnected but shall be reconnected immediately after the house passes the location of the traffic control signal.
- 214 Other traffic control devices (signs, etc.) may be removed just prior to the house passing their location, and shall be re-erected immediately after the house passes the location of the traffic control device. Re-erecting a sign and sign post requires the house mover to drive the sign post(s) immediately adjacent to its previous location and attaching the sign(s) at the required mounting height.
- 215 Escort vehicles shall be equipped with 18" x 18" red flags mounted on 7 foot staffs on each side of the front bumper or the equivalent height mounted to the revolving light bracket on top of the escort vehicles' cab. An oversize load sign 84" x 18" with wording "OVERSIZE LOAD" in 10" black letters with 1 5/8" brush stroke on yellow or orange background will be mounted on the front of the lead escort vehicle and towing vehicle on the rear of the rear escort vehicle.
- 216 Escort vehicles also shall be equipped with an AMBER revolving or flashing light of sufficient size to be visible to all traffic within a safe distance of the vehicle or load being escorted by mounting it on top of the cab and shall operate the lights during the entire course of the movement. Escorts and towing vehicles shall both be equipped with radios such that inter-vehicle communication is possible. The escort vehicles are responsible for advising the towing of any conditions arising that may require responsive actions.
- 217 Applicants shall provide a valid Federal DOT number or a Certificate of Insurance with the Department listed as the certificate holder with no less than Five Hundred Thousand Dollars (\$500,000) single limit liability on file with the Department. Exceptions may be made when in the opinion of Department a movement is not of a nature likely to cause damage to the highway or one time personal movements. Applicant must have in force the minimum motor vehicle liability insurance coverage as required by state law.

- ~~insurance policy in the amount of five hundred thousand dollars (\$500,000.00) single limit liability must be on file with the Mississippi Department of Transportation Permit Division.~~
- 218 It is noted that Section 63-5-53, Mississippi Code of 1972, places damage liability upon the permit holder. This also includes any damage to all public and private utilities involved during the house move.
- 219 The house mover shall post a performance bond at the discretion of the District Engineer to insure compliance of the terms of the permit. The Department's BOND FORM (MND-211) shall accompany the bond. Upon completion of the move and cancellation of the permit, the District Engineer will cancel and release the Bond. The Bond form can be found at: [www.gomdot.com/business/permits/maintenance-permits/house-moving/bond-application](http://www.gomdot.com/business/permits/maintenance-permits/house-moving/bond-application).
- ~~220 Applications must have in force the minimum motor vehicle liability insurance coverage as required by state law.~~
- 2204 Applicant must abide by all Federal, State, and Local Laws.
- 2212 A copy of the approved PERMIT and a copy of the approved HOUSE MOVE INFORMATION FORM (MND-210), shall be carried in the vehicle to which it refers at all times during the move.
- 2223 Failure of a house mover to comply with the terms of the permit, these regulations or the Department's Operational Procedures may be caused for cancellation of all permits issued and a suspension period for obtaining additional permits as determined by the District Engineer. The mover may appeal penalties to the Director and/or the Transportation Commission.
- 2234 Any vehicle and/or load in violation of the permitting rules or regulations, or apprehended on prohibited sections of highway may be fined \$250.00 and/or a 6-month permit suspension.

#### OPERATIONAL PROCEDURES

- 300 The house mover shall contact the District Office of the Mississippi Department of Transportation, having jurisdiction over the proposed move routes, prior to the move. The house mover shall furnish all the requested information on the Department's HOUSE MOVE INFORMATION FORM (MND-210).
- 301 The District Permit Officer will record the required information and assign the move an authorization number. Any further reference to the house move shall include the authorization number which shall be indicated on the permit under remarks.
- ~~302 The District Permit Officer will submit the HOUSE MOVE INFORMATION FORM (MND-210) to the Bridge Engineer for review and approval of the vehicle axle loads, routes and structures crossed. If the vehicle axle loads and routes are not approved by the Bridge Engineer, the HOUSE MOVE INFORMATION FORM (MND-210) will be returned to the District Permit Officer as disapproved with applicable comments. If the house mover wishes to change the vehicle axle loads or routes, a new HOUSE MOVE INFORMATION FORM (MND-210) must be submitted by the house mover with the new information to the District Office.~~
- 3032 The District Permit Officer will contact the appropriate District Maintenance Engineer and District Construction Engineer, or their designee(s) to obtain their approval for the move.

Information obtained from the house mover will be faxed to the adjacent District(s) as needed.

- | 3043 The District will discuss or review the information furnished by the house mover. Upon completion of the review process, the District will advise the District Permit Officer of their recommendation. The review process may include inspection of the route(s), the load, and the vehicle that will be used to carry the load.
- | 3054 If any changes are made to the HOUSE MOVE INFORMATION FORM by the District, the District shall return the FORM to the House Mover for his signature to acknowledge the changes. The mover shall sign the FORM in the place provided and return it to the District.
- | 3065 Upon approval of the move by the District, the District Permit Officer will enter the information from the HOUSE MOVE INFORMATION FORM (MND-210) into the State Permit computer system. The State Permit Division will review the house move application, verify insurance coverage, verify payment, and issue the permit for the move. The permit shall be valid for fourteen days.
- | 3076 The District Permit Officer shall print the approved permit and forward the approved PERMIT and the approved HOUSE MOVE INFORMATION FORM (MND-210) to the house mover.
- | 3078 The District will advise the District Maintenance Engineer of any damage to public property. If damage occurs to State Property, the District may recover damage costs through the maintenance repair project (MRP) process as provided in SOP MND-13-01-00-000 Repair of Damaged Highways and Recovery of Cost. The Department may take disciplinary action appropriate with the performance record of the house mover and/or the severity of actions.
- | 3098 If a Bond was required, upon completion of the move and complete recovery of costs for any damages caused by the house mover, the District shall cancel and release the Bond.

# HOUSE MOVERS STANDARD WEIGHT CHART

- 400 Type "A" – Conventional Frame with Sheetrock (32 #/S.F.)  
 Type "B" – Conventional Frame with Plaster (41 #/S.F.)  
 Type "C" – Concrete Slab with Frame and Sheetrock (76 #/S.F.)

- 401 If the house to be moved has a brick exterior, add 193 pounds per linear foot of exterior wall to the weight indicated in the chart.

- 402 For estimating the weight of Carports use (20 #/S.F.)

| <u>SQ. FT.</u> | <u>TYPE "A"</u><br><u>(LBS.)</u> | <u>TYPE "B"</u><br><u>(LBS.)</u> | <u>TYPE "C"</u><br><u>(LBS.)</u> |

MISSISSIPPI DEPARTMENT OF TRANSPORTATION  
HOUSE MOVING PERFORMANCE BOND

\_\_\_\_\_  
SURETY

STATE OF MISSISSIPPI

COUNTY OF \_\_\_\_\_

KNOW ALL MEN BY THESE PRESENTS: That we, the \_\_\_\_\_  
of \_\_\_\_\_ as Principal, and \_\_\_\_\_  
Company, as surety are held and firmly bound in solido to the Mississippi Transportation Commission,  
hereinafter "Commission", Jackson, Mississippi, in the full sum of \$ \_\_\_\_\_ lawful money of the  
United States of America for payment of which we bind ourselves, in solido, and our respective  
successors, assigns, executors and administrators.

The condition of this obligation is such that, whereas the said \_\_\_\_\_  
\_\_\_\_\_, hereinafter called the Principal, has applied to the Commission for Permit  
Number \_\_\_\_\_, dated \_\_\_\_\_ to move a house on the State Highway  
system, and

WHEREAS, the said Principal has agreed to perform all operations of the house move in  
accordance with all the regulations and restrictions as shown on the permit; and has provided  
documentation that he has secured any other permits from any City, or Municipality, or Utility Company,  
or any other Entity that would also be required for this house move; and further agrees to be held strictly  
liable for any highway right of way damage, property damage, public utility damage, or any other damage  
or destruction to portions of the presently maintained highway right of way as a result of the house  
moving operation.

NOW, THEREFORE, if the said Principal faithfully complies with the terms of said permit, then  
this obligation shall be null and void; however, in the event of a violation of the conditions enumerated in  
the permit, or a failure to leave the highway right of way, or any portion thereof, in an acceptable condition  
as provided for in the permit, the full sum of the bond shall be forfeited immediately.

The bond shall be effective from this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ and  
expire on the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

In Reply Refer To: POST-MS

Mr. Larry L. Brown, Executive Director  
Mississippi Department of Transportation  
Jackson, Mississippi 39205

Dear Mr. Brown:

Subject: Procedures for House Moves on State Highways  
APA Compliance Rule

We have reviewed Mr. Harry Lee James' April 23, 2008 request for approval of the subject document which covers procedures and rules for obtaining permits and executing moves of houses on the State Maintained Highway System. The proposed Rule is satisfactory and hereby approved for application on Federal-Aid Highways in Mississippi.

Sincerely yours,

Andrew H. Hughes

Andrew H. Hughes  
Division Administrator

## Chapter 22001 Procedures for House Moves on State Highways EIS Justification

(c) To make and publish rules, regulations and ordinances for the control of and the policing of the traffic on the state highways, and to prevent their abuse by any or all persons, natural or artificial, by trucks, tractors, trailers or any other heavy or destructive vehicles or machines, or by any other means whatsoever, by establishing weights of loads or of vehicles, types of tires, width of tire surfaces, length and width of vehicles, with reasonable variations to meet approximate weather conditions, and all other proper police and protective regulations, and to provide ample means for the enforcement of same. The violation of any of the rules, regulations or ordinances so prescribed by the commission shall constitute a misdemeanor. No rule, regulation or ordinance shall be made that conflicts with any statute now in force or which may hereafter be enacted, or with any ordinance of municipalities. A monthly publication giving general information to the boards of supervisors, employees and the public may be issued under such rules and regulations as the commission may determine;

## Sub-part 7501 – Maintenance

### Chapter 22001 Procedures for House Moves on State Highways

#### Purpose

- 100 To provide the procedures for moving houses on the State Maintained Highway System.
- 101 To permit those house moves that can be accomplished within the regulations and operational procedures for house moves as established by the Department. No house move will be permitted, which in the opinion of the Department, will conceivably cause damage to public property, adversely affect the safety or cause undue delays to the traveling public.
- 102 TABLE OF CONTENTS
- |                |                                    |
|----------------|------------------------------------|
| 1. SECTION 200 | REGULATIONS                        |
| 2. SECTION 300 | OPERATIONAL PROCEDURES             |
| 3. SECTION 400 | HOUSE MOVERS STANDARD WEIGHT CHART |
| 4. SECTION 500 | HOUSE MOVING FORMS                 |

#### REGULATION

- 200 The maximum width, heights, or distance moved shall be approved by the District Engineer or his representative taking into consideration the roadway geometrics, overhead obstructions, traffic volumes, etc., on the specific routes involved.
- 201 A multi-unit manufactured or modular home that has been installed and used as a residence may be transported as a single unit as covered in this rule.
- 202 The Department will require reasonable time to inspect intended haul routes.
- 203 The house mover shall furnish the Department with a thorough description (to include pictures of the front, two sides, and the back) of the load to be moved on the Department's HOUSE MOVE INFORMATION FORM (MND-210). The form can be found at: [www.gomdot.com/business/permits/maintenance-permits/house-moving/information-application](http://www.gomdot.com/business/permits/maintenance-permits/house-moving/information-application).
- 204 The description of the load shall include an estimated weight based upon the Department's HOUSE MOVERS STANDARD WEIGHT CHART. Refer to Section 400 of this Rule.
- 205 The house mover is responsible for any additional permits, notifications or clearances that are required from any City, or Municipality, or Utility Company, or any other jurisdictional agency or regulation.
- 206 The house mover shall provide a copy of all such additional permits, notifications and clearances along with his submission of the Department's HOUSE MOVE INFORMATION FORM (MND-210).
- 207 Movements shall be made between one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset Monday through Saturday. Movements must be timed to avoid urban areas during peak traffic periods.

**Deleted:** In instances where houses to be moved exceed 32 feet in width (outside wall measurements), the review and inspection period may require as much as three working days. The Department cannot guarantee a same-day return on permits.¶

- 208 Movements will not be allowed on Sundays, New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas, or after 12:00 noon on days proceeding the listed holidays.
- 209 Movements may be prohibited on other days when specific events may generate unusually heavy traffic in the vicinity of the move.
- 210 House moves shall not be made during times of rain, snow, and sleet or during other hazardous weather conditions.
- 211 House movers shall make provisions to allow passing of all emergency vehicles during the move. All necessary provisions will be made to assure that traffic will not be held up more than fifteen (15) minutes where conditions permit. Under NO conditions will traffic be held up more than thirty (30) minutes. When available, house movers shall secure the use of law enforcement officers to facilitate the safe movement of a load.
- 212 House moves will be allowed only on routes specified on the permit. House moves will not be allowed on Interstate Highways. Houses cannot be moved using farm tractors, or other non-commercial or non-licensed motor vehicles.
- 213 No Traffic control signals shall be removed or altered. Just prior to the house passing their location a bucket truck shall be required to manually raise any signal support cables and hardware. The bottom tether cable may be disconnected but shall be reconnected immediately after the house passes the location of the traffic control signal.
- 214 Other traffic control devices (signs, etc.) may be removed just prior to the house passing their location, and shall be re-erected immediately after the house passes the location of the traffic control device. Re-erecting a sign and sign post requires the house mover to drive the sign post(s) immediately adjacent to its previous location and attaching the sign(s) at the required mounting height.
- 215 Escort vehicles shall be equipped with 18" x 18" red flags mounted on 7 foot staffs on each side of the front bumper or the equivalent height mounted to the revolving light bracket on top of the escort vehicles' cab. An oversize load sign 84" x 18" with wording "OVERSIZE LOAD" in 10" black letters with 1 5/8" brush stroke on yellow or orange background will be mounted on the front of the lead escort vehicle and towing vehicle on the rear of the rear escort vehicle.
- 216 Escort vehicles also shall be equipped with an AMBER revolving or flashing light of sufficient size to be visible to all traffic within a safe distance of the vehicle or load being escorted by mounting it on top of the cab and shall operate the lights during the entire course of the movement. Escorts and towing vehicles shall both be equipped with radios such that inter-vehicle communication is possible. The escort vehicles are responsible for advising the towing of any conditions arising that may require responsive actions.
- 217 Applicants shall provide a valid Federal DOT number or a Certificate of Insurance with the Department listed as the certificate holder with no less than Five Hundred Thousand Dollars (\$500,000) single limit liability on file with the Department. Exceptions may be made when in the opinion of Department a movement is not of a nature likely to cause damage to the highway or one time personal movements. Applicant must have in force the minimum motor vehicle liability insurance coverage as required by state law.
- 218 It is noted that Section 63-5-53, Mississippi Code of 1972, places damage liability upon the permit holder. This also includes any damage to all public and private utilities involved during the house move.

**Deleted:** An insurance policy in the amount of five hundred thousand dollars (\$500,000.00) single limit liability must be on file with the Mississippi Department of Transportation Permit Division.

219 The house mover shall post a performance bond at the discretion of the District Engineer to insure compliance of the terms of the permit. The Department's BOND FORM (MND-211) shall accompany the bond. Upon completion of the move and cancellation of the permit, the District Engineer will cancel and release the Bond. The Bond form can be found at: [www.gomdot.com/business/permits/maintenance-permits/house-moving/bond-application](http://www.gomdot.com/business/permits/maintenance-permits/house-moving/bond-application).

220 Applicant must abide by all Federal, State, and Local Laws.

221 A copy of the approved PERMIT and a copy of the approved HOUSE MOVE INFORMATION FORM (MND-210), shall be carried in the vehicle to which it refers at all times during the move.

222 Failure of a house mover to comply with the terms of the permit, these regulations or the Department's Operational Procedures may be caused for cancellation of all permits issued and a suspension period for obtaining additional permits as determined by the District Engineer. The mover may appeal penalties to the Director and/or the Transportation Commission.

223 Any vehicle and/or load in violation of the permitting rules or regulations, or apprehended on prohibited sections of highway may be fined \$250.00 and/or a 6-month permit suspension.

Deleted: 220 Applications must have in force the minimum motor vehicle liability insurance coverage as required by state law.¶

#### OPERATIONAL PROCEDURES

300 The house mover shall contact the District Office of the Mississippi Department of Transportation, having jurisdiction over the proposed move routes, prior to the move. The house mover shall furnish all the requested information on the Department's HOUSE MOVE INFORMATION FORM (MND-210).

301 The District Permit Officer will record the required information and assign the move an authorization number. Any further reference to the house move shall include the authorization number which shall be indicated on the permit under remarks.

302 The District Permit Officer will submit the HOUSE MOVE INFORMATION FORM (MND-210) to the Bridge Engineer for review and approval of the vehicle axle loads, routes and structures crossed. If the vehicle axle loads and routes are not approved by the Bridge Engineer, the HOUSE MOVE INFORMATION FORM (MND-210) will be returned to the District Permit Officer as disapproved with applicable comments. If the house mover wishes to change the vehicle axle loads or routes, a new HOUSE MOVE INFORMATION FORM (MND-210) must be submitted by the house mover with the new information to the District Office.

303 The District Permit Officer will contact the appropriate District Maintenance Engineer and District Construction Engineer, or their designee(s) to obtain their approval for the move. Information obtained from the house mover will be faxed to the adjacent District(s) as needed.

304 The District will discuss or review the information furnished by the house mover. Upon completion of the review process, the District will advise the District Permit Officer of their recommendation. The review process may include inspection of the route(s), the load, and the vehicle that will be used to carry the load.

305 If any changes are made to the HOUSE MOVE INFORMATION FORM by the District, the District shall return the FORM to the House Mover for his signature to acknowledge

Deleted: 2

Deleted:

Deleted: 3

Deleted: 4

the changes. The mover shall sign the FORM in the place provided and return it to the District.

- | 30<sup>5</sup> Upon approval of the move by the District, the District Permit Officer will enter the information from the HOUSE MOVE INFORMATION FORM (MND-210) into the State Permit computer system. The State Permit Division will review the house move application, verify insurance coverage, verify payment, and issue the permit for the move. The permit shall be valid for fourteen days. Deleted: 5
- | 30<sup>7</sup> The District Permit Officer shall print the approved permit and forward the approved PERMIT and the approved HOUSE MOVE INFORMATION FORM (MND-210) to the house mover. Deleted: 6
- | 30<sup>8</sup> The District will advise the District Maintenance Engineer of any damage to public property. If damage occurs to State Property, the District may recover damage costs through the maintenance repair project (MRP) process as provided in SOP MND-13-01-00-000 Repair of Damaged Highways and Recovery of Cost. The Department may take disciplinary action appropriate with the performance record of the house mover and/or the severity of actions. Deleted: 7
- | 30<sup>9</sup> If a Bond was required, upon completion of the move and complete recovery of costs for any damages caused by the house mover, the District shall cancel and release the Bond. Deleted: 8

# HOUSE MOVERS STANDARD WEIGHT CHART

- 400 Type "A" – Conventional Frame with Sheetrock (32 #/S.F.)  
 Type "B" – Conventional Frame with Plaster (41 #/S.F.)  
 Type "C" – Concrete Slab with Frame and Sheetrock (76 #/S.F.)

- 401 If the house to be moved has a brick exterior, add 193 pounds per linear foot of exterior wall to the weight indicated in the chart.

- 402 For estimating the weight of Carports use (20 #/S.F.)

MISSISSIPPI DEPARTMENT OF TRANSPORTATION  
HOUSE MOVING PERFORMANCE BOND

\_\_\_\_\_ SURETY

STATE OF MISSISSIPPI

COUNTY OF \_\_\_\_\_

KNOW ALL MEN BY THESE PRESENTS: That we, the \_\_\_\_\_  
of \_\_\_\_\_ as Principal, and \_\_\_\_\_

Company, as surety are held and firmly bound in solido to the Mississippi Transportation Commission, hereinafter "Commission", Jackson, Mississippi, in the full sum of \$ \_\_\_\_\_ lawful money of the United States of America for payment of which we bind ourselves, in solido, and our respective successors, assigns, executors and administrators.

The condition of this obligation is such that, whereas the said \_\_\_\_\_  
\_\_\_\_\_, hereinafter called the Principal, has applied to the Commission for Permit Number \_\_\_\_\_, dated \_\_\_\_\_ to move a house on the State Highway system, and

WHEREAS, the said Principal has agreed to perform all operations of the house move in accordance with all the regulations and restrictions as shown on the permit; and has provided documentation that he has secured any other permits from any City, or Municipality, or Utility Company, or any other Entity that would also be required for this house move; and further agrees to be held strictly liable for any highway right of way damage, property damage, public utility damage, or any other damage or destruction to portions of the presently maintained highway right of way as a result of the house moving operation.

NOW, THEREFORE, if the said Principal faithfully complies with the terms of said permit, then this obligation shall be null and void; however, in the event of a violation of the conditions enumerated in the permit, or a failure to leave the highway right of way, or any portion thereof, in an acceptable condition as provided for in the permit, the full sum of the bond shall be forfeited immediately.

The bond shall be effective from this \_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_ and  
expire on the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

SIGNED, SEALED AND DELIVERED this \_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_

In Reply Refer To: POST-MS

Mr. Larry L. Brown, Executive Director  
Mississippi Department of Transportation  
Jackson, Mississippi 39205

Dear Mr. Brown:

**Subject: Procedures for House Moves on State Highways  
APA Compliance Rule**

We have reviewed Mr. Harry Lee James' April 23, 2008 request for approval of the subject document which covers procedures and rules for obtaining permits and executing moves of houses on the State Maintained Highway System. The proposed Rule is satisfactory and hereby approved for application on Federal-Aid Highways in Mississippi.

Sincerely yours,

*Andrew H. Hughes*

## Chapter 22001 Procedures for House Moves on State Highways EIS Justification

(c) To make and publish rules, regulations and ordinances for the control of and the policing of the traffic on the state highways, and to prevent their abuse by any or all persons, natural or artificial, by trucks, tractors, trailers or any other heavy or destructive vehicles or machines, or by any other means whatsoever, by establishing weights of loads or of vehicles, types of tires, width of tire surfaces, length and width of vehicles, with reasonable variations to meet approximate weather conditions, and all other proper police and protective regulations, and to provide ample means for the enforcement of same. The violation of any of the rules, regulations or ordinances so prescribed by the commission shall constitute a misdemeanor. No rule, regulation or ordinance shall be made that conflicts with any statute now in force or which may hereafter be enacted, or with any ordinance of municipalities. A monthly publication giving general information to the boards of supervisors, employees and the public may be issued under such rules and regulations as the commission may determine;
